PRESIDENT: Alright, Senator Barnett.

SENATOR BARNETT: Mr. President, members of the Legislature, if I could have the indulgence of the Chair or the Clerk, and I know that he is eating, Vince, I'm wondering and I don't want to disrupt your eating, I realize that but we have about 3 or 4 amendments up there that I would like to have adopted to the request form in your book number 2540 which is a computer print-out after adopting these amendments I will explain the whole thing as it is. I would like...

PRESIDENT: Are these amendments to the committee amendments?

SENATOR BARNETT: Yes they are.

CLERK: Read

SENATOR BARNETT: Is that the first one Vince? Is that all by itself?

CLERK: It is a full page one.

SENATOR BARNETT: That is fine, just take that whole... that is the certified consulting and it is also the reimbursement of cost and funds for the act. That is by the fiscal office and that is the way it is set up. I would move for the amendments to be adopted to the committee amendments, this first one.

PRESIDENT: Any further discussion? Motion is to adopt this amendment to the Committee Amendments. All in favor vote aye, those opposed vote nay. It takes a majority of those voting, an amendment to an amendment. Have you all voted? Clerk will record.

CLERK: 21 ayes 0 nays.

SENATOR BARNETT: Vince will you read the one in the Journal it may be the one we want to withdraw.

PRESIDENT: Amendment is adopted. Next amendment.

SENATOR BARNETT: Some amendments were going to withdraw Vince, so lets see what they are first.

CLERK: Read.

SENATOR BARNETT: Now that has already been done from your last amendment.

CLERK: So you wish to withdraw that one?

SENATOR BARNETT: Withdraw that part of it.

CLERK: The next one is on page 6, line 11 read.

SENATOR BARNETT: Right, this amendment will go with that section of the bill where the people bringing in the intoxicated person can hold a person for investigation into a criminal activity and I would like to adopt this amendment to the committee amendment.
